

# Asphalt General Laborer -- Job Description

We are looking for competent Construction Workers to work on road crew projects. You will be part of a team that helps our customers get the quality and satisfaction they deserve from a road construction company.

Our company, routs, cleans and seals asphalt cracks and Concrete joints. In addition, we also do infrared patching as well as Cut-out Patching of severely broken-up and damaged pavement.

You must have physical strength, endurance as well as be able to work well with your hands. Must be over the age of 18.

## Responsibilities

- Assist the Foremen, Sales people and Project Managers in various construction projects.
- Assist in loading any materials needed for the job.
- Unload and carry materials on the job and at construction sites.
- Use of Crack Saws, Routers, Backpack blowers, Weed eaters, etc...
- Clean cracks on road, and/or parking lots.
- Prepare and apply materials to repair cracks, fill gaps and repair roads.
- Assist other members of the team in order to finish jobs in a timely manner.
- Traffic Control (Place traffic signs where appropriate.) (Flagging)

## Requirements

- Must be able to get along with others.
- Must be able to lift 50 pounds or more on a regular basis.
- Must be able to work as a team and follow directions.
- Must be flexible in your schedule. (Road crews are typically gone Monday through Friday).
- Able to read instructions and maps when needed.
- Place traffic signs where appropriate.
- Very good knowledge of English (spoken and written).
- Must be able to obtain a CDL within 6 months of employment.

**Higher starting wage for CDL drivers**

**May be asked to perform other duties as requested by management.**

**MUST BE RELIABLE**
